

ADULT "NO SODA" PLEDGE 2014-2015

Due October 10th, 2014

My student/child _____ challenged me to cease the consumption of soft drinks and juices (i.e., to drink beverages with sugar added) in the school, as soft drinks and juices are the major contributors to obesity. By signing the adult "no soda" pledge, I support our students/children in their fight against childhood obesity by taking an active role as a participant in the epic battle against the widespread obesity epidemic that are slowly harming our youth physically, emotionally, socially, and academically throughout the United States.
